

/home/dave/thesis/qtwayland  
-motorcar-compositor/qt  
/src/textureblitter.h

```
graph TD; A["/home/dave/thesis/qtwayland-motorcar-compositor/qt/src/textureblitter.h"] --> B["QtGui/QMatrix4x4"]; A --> C["QtDebug"];
```

The diagram illustrates a dependency or inclusion relationship. A top box contains a file path: /home/dave/thesis/qtwayland-motorcar-compositor/qt/src/textureblitter.h. Two blue arrows originate from the bottom of this box, pointing to two separate boxes below. The left box contains the text QtGui/QMatrix4x4, and the right box contains the text QtDebug.

QtGui/QMatrix4x4

QtDebug
