

motorcar::Compositor

```
classDiagram
    class QtWaylandMotorcarCompositor["qtmotorcar::QtWaylandMotorcarCompositor"]
    class motorcar_Compositor["motorcar::Compositor"]
    QtWaylandMotorcarCompositor --|> motorcar_Compositor
```

The diagram illustrates an inheritance relationship. A white box at the bottom represents the base class 'qtmotorcar::QtWaylandMotorcarCompositor'. A blue arrow points upwards from this box to a grey box at the top, which represents the derived class 'motorcar::Compositor'.

qtmotorcar::QtWaylandMotorcar  
Compositor
